BINGO

As of June 1, 2005, Orillia Minor Hockey will no longer have a weekly bingo at the Gate of Orillia Bingo Hall. Due to the decrease in revenue of late night bingo's, a decision was made by the Bingo Association to eliminate late night sessions. The Hall and the Association is working with us to provide our Association with one to two bingo's per month. At this point we do not have a day or time, however when this is established we will require volunteers. If you are interested in volunteering at a bingo you will receive \$ 20.00 in registration credits. Please contact the hockey office at 326-6642. Sue McLeod is coordinating our bingo events and will be pleased to have you come out and support Orillia Minor Hockey!

Registration Credits for those members who volunteered for bingo up to May 31 2005, will be deducted at registration. Please let the registrar know if you are entitled to registration credits. If you are interested in earning registration credits towards registration or Orillia Minor Hockey apparel contact the hockey office at 326-6642.

ORILLIA MINOR HOCKEY APPAREL SUPPLIER 2005-06

Over the past several years Orillia Minor Hockey has tendered the contract for the production of Orillia Minor Hockey clothing to local businesses to provide quotes. At the end of this process the successful tender is given the sole rights to produce Orillia Minor Hockey clothing for that particular year. In doing so, the business provides a percentage of the sales back to Orillia Minor Hockey in the form of a donation. The money received from this agreement helps to offset the cost of hockey for everyone who participates. It is therefore important that teams and individuals who want to purchase Orillia Minor Hockey apparel do so from the approved supplier. The contract for Orillia Minor Hockey apparel for the 2005-06 season will be decided on by August 1, 2005. If you are unsure of who the successful tender of clothing for the 2005-06 season is please contact Susan at the hockey office after August 1, 2005 at 326-6642. An announcement of the approved supplier for the 2005-06 season will be posted at the Community Centre in September.

GOLF TOURNAMENT

Unfortunately the "Kids Golf Fun Day" had to be cancelled due to lack of enrollment. However, in the works for the last week of August is an all ages Golf Day. Mike Borrelli has offered his assistance in planning this day and will be Chairman of this event—start thinking about getting a foursome together. More information and registration forms for this day will be available at Hockey Registration.
